

We manufacture and are able to supply the following production line equipment.

**01. PP/HDPE Woven Bag Production Line**

- Without coating and lamination
- With/without PE film liner

**02. PP/HDPE Coated/laminated Woven Bag Production Line**

- Coated
- Laminated with BOPP film or kraft paper
- With/without PE film liner
- With/without gusset on both sides of the bag

**03. PP/HDPE Back-seam Woven Bag Production Line**

- Coated
- Laminated with BOPP film or kraft paper
- With/without PE film liner or kraft paper liner

**04. PP Cement Bag Production Line**

- Coated
- Seamless/back-seam type bag
- Laminated with kraft paper
- With/without kraft paper liner

**05. PP Block Bottom Valve Bag Production Line**

- Coated
- Seamless/back-seam type bag
- Laminated with BOPP film or kraft paper
- With/without kraft paper liner

**06. PP/HDPE Inside Laminated Woven Bag Production Line****07. PP/HDPE Mesh Bag Production Line**

- Circular weaving type bag
- Warp knitting type bag

**08. FIBC (Jumbo Bag) Production Line**

- Uncoated/coated
- With/without PE film liner

**09. HDPE Tarpaulin Production Line**

- Tarpaulin
- Container liner

**10. PP Woven Shopping Bag Production Line****11. PE Film Bag Production Line**

- PE film shopping bag
- PE film food bag
- PE film garbage bag
- PE film liner bag

**12. PP/HDPE Rope Production Line****13. PP/HDPE Woven Geotextile Fabric Production Line****14. PP/HDPE Monofilament Extrusion Production Line****15. PP/HDPE Rope Production Line****16. Other Special Production Line****TIANFENG MACHINERY**
